

Watkins Glenn Waterfall Bucket list

1. Aunt Sarah's Falls

Aunt Sarah's Falls is located directly on State Route 414, just north of the village of Montour Falls. When the water table is low, this waterfall is often the first to show signs. It may slow to a trickle or even stop completely during dry weather.

GPS Location: N 42.35185 / W 76.85597

Directions: From the village of Watkins Glen, take Route 14 south and the waterfall will appear on your right just before rounding the bend into the village of Montour Falls. There is parking on the east side of Route 14, directly across from Aunt Sarah's Falls.

2. Shequaga Falls

Shequaga Falls is located in the village of Montour Falls, at the corner of the historic Glorious T intersection.

GPS Location: N 42.34453 / W 76.85136

Directions: From Aunt Sarah's Falls, head south on State Route 14 toward the village of Montour Falls. Take the next right on South Genesee Street. Come to a stop sign and the falls will be just ahead on the right. There is a small parking area with room for two cars, but there is additional parking on Main Street. Be sure to check out the beautiful village of Montour Falls while you're there!

3. Havana Glen Park and Eagle Cliff Falls

135 Havana Glen Road, Montour Falls, NY 14865

This park provides excellent recreational opportunities as it has ball fields, playgrounds, camping facilities, and a beautiful (but short) hike through Havana Glen. The Glen Trail is very short and only climbs 5 modest flights of stairs. It starts from the parking area, proceeds up the left side of the creek, past numerous small falls and ends at the entrance to an amphitheater-like opening of rock and waterfall, showcasing Eagle Cliff Falls. Once there, feel free to walk behind the falls and in the shallow pool below it.

Directions: From Shequaga Falls, head east on West Main Street to State Route 14. Take a right on State Route 14 South, then take the second left onto Havana Glen Road. You'll see the park entrance just ahead on your right. Once inside the entrance, take a quick left to follow the park road back to the parking area where you'll access the trail to Eagle Cliff Falls.

4. Deckertown Falls

Deckertown Falls is one of the lesser-known waterfalls in the area, but definitely a gem! It's an easy walk, located on the outskirts of the village of Montour Falls.

Location: 101-149 E Catlin St., Montour Falls, NY 14865

Directions: From Havana Glen Park, take a left out of the parking lot and a right onto State Route 14 North. Take a right onto NY-224 and then take a right onto South L'hommedieu Street. Take a left on East Catharine Street and follow that to the end where you'll find a small parking area. It is a short walk from the parking area to see the falls.
